

INTER HOUSE SPORTS QUIZ –A DIAMOND JUBILEE INITIATIVE - KKN

Sports has always been a passion and a way of life for PSBBians. The year 2017 – 18 will be remembered for the launch of the Inter House Sports Quiz by KKN Quiz club as part of the Diamond Jubilee year celebrations. The response for this initiative was overwhelming and students participated enthusiastically in large numbers at each level.

The Preliminary round for all three levels of the Inter house quiz was conducted successfully. The quiz master for the middle and high school finals was Ashwin Suresh and the primary level final was conducted by Vikram N and Akshay G. All three quiz masters are alumni (KKN) of 2016 -17 batch.

Sports quiz has fueled the quizzing attitude in children and has kindled a special interest in quizzing among the student fraternity.

We thank the School Management, Heads and Teachers for their immense support and encouragement and look forward to more quizzing in the future.
