

AUTHOR OF THE MONTH IV AND V

"To read is to soar high,

It's a portable magic which enlarges a child's world"

An author's study is an excellent way to celebrate the work of a writer.

Students of Std 4 & 5 were encouraged to read books by popular authors like Enid Blyton, Roald Dahl and Sudha Murthy and later present book report on the favourite characters, theme and plot.

A Plethora of activities was planned during General Assembly.

Role play, Tableaux depiction, Interview, poem recital and creative drama followed by quiz.

The event was no doubt delightful & meaningful for the student audience and the participants.
