

## Elders' Day Celebration

"The best classroom in the world is at the feet of an elderly person"

Elders' Day was celebrated by PSBB -Primary to reiterate the family's gratitude and respect to the doyens.

Some enthusiastic grandparents of std 4 & 5 were invited to speak, the topics ranging from tradition to technology, patriotism & importance of elders at home. Students could see a story teller, a counsellor, a patriot, a guardian of tradition, a role model, a mentor etc. in their grandparents.

The idea conceived by the Headmistress, Mrs.Rajarajeswari was well supported by the teachers who identified the right speakers to sensitise the students.

Highly emotional, happy and a satisfying celebration indeed!
