

AN ENLIGHTENING EXPERIENCE!

'RAISE YOUR GAME' 2018

On the 16th of November 2018, the Mrs. YGP Auditorium at PSBB KKNagar was abuzz with excitement as the students of class 12 eagerly awaited the commencement of an enriching session at 10 am organized by Medall as a motivational program. The event started out with an invocation to the Almighty and was followed by a formal welcome by the moderator for the day, Mrs. Sushmitha Rai. The dais was embedded with sparkling minds from different walks of life.

The first speaker, Mr. Anantharaman, inspired the students by conveying to them the importance of the 4C's – clarity, calendarisation, commitment and confidence.

The second speaker, Ms.Sadhana, caught the attention of the students with her personal experiences of how she tackled the board exams the previous year.

“Have no regrets. Work hard. Self-discipline is your key to success”, she said in her captivating speech.

Mrs. Vaishnavi, a well-known face to the students, the third speaker spoke about eliminating distractions and coping with exam anxiety. She finished her speech, emphasizing the importance of time management.

The final speaker was Professor L S Ganesh, professor at IIT Madras and an advisor on the board of various reputed institutions. An eloquent speaker, he kept the students on the edge of their seats. The Key take-aways from his speech included observation of oneself , preparing well and being confident.

“If you do well, you maximize your opportunities and pave the way for a brighter future.”

The moderator concluded the event with a few pearls of wisdom.

“ Raise your game collectively, practise your principles.
If you're excellent, the world will welcome you! ”
