

INTERACTING WITH SHINING STARS - a rewarding experience!

A 'special' effort by the Interact Club, PSBB Ngm.

'When god closes one door, He opens another!'

The smiling faces of nearly a thousand children with unique talents, who gathered excitedly at Kamarajar Arrangam on 22nd November 2018 bore ample testimony to this!

It was a 'day long fest'. 'The Rota Talent Contest' for underprivileged and special children by Rotary Club of Madras, T.Nagar along with Neeta Memorial Charitable Trust.

The members of the Interact Club of PSBB Nungambakkam, along with the teachers in charge and a few other students were delighted to assist with the arrangements as 'volunteers'. The precedent rain and the sudden rain holiday declared by the Government did not dampen the spirits of the organisers, the volunteers or the participants themselves. The enthusiastic children enjoyed participating in the different events and competitions, singing, dancing, drawing, etc.

The student volunteers set themselves to the task of helping the organisers and guiding the participants. They distributed books, conducted the drawing competition and managed the events backstage. Watching the children showcase their talents to the best of their abilities with joy and cheer proved to be a heart-warming experience.

"It was a day well spent" said Vibha M of 11-C, the Interact Club President. The volunteers returned happily, satisfied with their efforts!
