

The Culmination Of Theatre Club 2018-19 at PSBB

'NRCC Is Visiting', was a brilliant production staged by the members of PSBB Drama Club on 31st January 2019 at Dr. Mrs. YGP Auditorium K.K.Nagar. Like in the previous 11 editions, Ms. Nikhila came up with a stunner involving very artfully all 30 odd students of the Theatre workshop.

In the past six months, numerous had been lessons learnt by the members in a number of theatrical and life skills, including the importance of punctuality, the nuances of trust, the ability to cover up one's mistakes on stage, managing conflict, and many more. She even brought in a friend to teach the students – *Salsa!*

The play 'NRCC Is Visiting' was about a normal, everyday school life, with a twist. A domineering group, known as the NRCC, the National Reality Check Commission, looked to establish rules, with an iron fist. However, the play ended on a happy note, with the students' winning.

Every actor was adept in his / her role. The message was loud and clear. The play was spiced with music and perfect sense of comedy that was well-received by the audience.

YGP ma'am shared her valuable thoughts. Mr. YGR commended the students' performance and shared some insightful anecdotes. He also gave away the certificates and thanked Madras Players calling Ms. Nikhila 'the Kohli' of the Drama Club. Ms. Nikhila said that she is able to risk and experiment with the support of the school. The legacy of theatre will continue to keep the audience spellbound in the years to come.
