

A TRIP DOWN CULTURE LANE

The students of classes 5-8 of PSBB T.Nagar got an opportunity to visit the spiritual, thematic fair organised by IMCTF at Guru Nanak College, Velachery during the last week of January 2019.

They went around the fair and learnt a lot from the information exhibited on the different themes of the IMCT- Conserve Forest and Protect Wildlife, Preserve Ecology, Sustain Environment, Inculcate Family and Human Values, Foster Women's honour, Instill Patriotism. The culture and tradition of our country was displayed in great detail through exhibits, showcases, slideshows etc., many of them in an interactive format.

Students were quite moved to see the exhibits of the Jallianwallabagh massacre and the Andaman jail, which made them realise how much patriots from across the country had suffered to give them the peaceful India they live in today.

The food stalls provided delicacies which hinted at India's vast heritage of food.

Overall, it was a wonderful learning experience for the students whose mind was awakened to the proud heritage of their country and their responsibility in sustaining its culture and tradition.
