

PSBB @ "Pariksha Pe Charcha 2.0"

As part of the second edition of "Pariksha Pe Charcha 2.0" Hon.Prime Minister Shri Narendra Modi interacted with students, parents and teachers in the national capital of India on 29th Jan 2019.

The "Pareeksha pe Charcha 2.0" was an interactive session on the topic "Exam Stress" in the Indoor Talkatora Stadium. Students, teachers and parents were selected through an online slogan and essay writing contest based on our Hon. PM's book "Exam Warriors". V S Nithyasri from 11 'E3' represented PSBB Group of Schools in this programme.

In her words – "It was amazing to have met our Hon. PM! The programme was very informative and interesting. Our Prime Minister emphasised on the importance of time management, about how "technology is a friend as well as a foe," beautifully explaining how technology can bond parents to their children. "Can you please look up the recipe of dhokla for me, beta" can encourage children in the healthy use of technology and can bring parents and their children closer.

A Smart Identify Card with an 8 GB memory Stick was provided to all participants along with the invite

V S Nithyasri also had an opportunity to share her thoughts about the future of social networking in India with the Prime Minister through the Security Personnel. When she received a response at the end of the program from our PM's security cell, it was evident that her thoughts had been sent to the PM's office.
