

CELEBRATING TRADITIONS- 'Pongalo Pongal'!

Students gathered with great excitement on the afternoon of 21st January, to celebrate the Tamil festival of harvest, Pongal.

The celebrations began with a bang, with an exciting round of 'Connections' and the participants of all four teams were appreciated greatly for their quick thinking.

No PSBB event is complete without a cultural performance and the dancers of PSBB ensured that the Pongal celebrations had a great cultural patter. Various dance forms, pertaining to harvest festivals from all over India were showcased beautifully.

The highlight of the show was the performance of the Luxembourg exchange programme students, who surprised the audience by dancing one of the very popular Indian dance forms 'Bhangra'.

The programme was greatly appreciated by dignitaries including Dr. Mrs. YGP, Dean and Director. "Pongal is a festival that highlights the importance of our farmers and recognizes

their hard work," she said.

Mrs. Sheela Rajendra, Deputy Dean and Director and teachers from Luxembourg also enjoyed the programme and praised the students' performance.

Truly this celebration made the day for all who witnessed it and will forever hold a special place in everyone's heart.
