Success at National Science Day Celebrations: Tamil Nadu Science and Technology Center

National Science Day turned out to be a memorable day for Meera Shankar and M.Sujitha of 11-A as they bagged the 'Good' award in the Science Exhibition on the topic 'Next Generation Science', while S.Saurav and Poorvica of 11-A won the 'Consolation' prize in the Science Quiz held at the National Science Day Celebrations at Birla Planetarium.

The Tamil Nadu Science and Technology Center celebrates National Science Day every year in order to spread the message about the significance of scientific applications in the daily life. From 23rd to 26th January 2019, various competitions such as elocution, science exhibition and quiz were held to foster scientific temper amongst students and offer a great platform to showcase their talents. Students from classes 9 and 11 from over 30 schools participated in the competitions.

The prizes were given away at Birla Planetarium on 28th February 2019- National Science Day. The Chief Guest, Mr. Mangat Ram Sharma, specially appreciated the Nungambakkam students in the science exhibition, for their innovative and impactful gadget called 'Go Kettle' which could heat water using solar energy and even warmth of the palm; made by Meera and Sujitha.

The students were given a trophy, a certificate and book on science, and returned with the satisfaction of a 'job well done'!

Congratulations students!
