

Alumni Meet 2018 -19

KIT [Keep In Touch]

Revisiting a Glorious Past for a Radiant Future

The Alumni Meet [KIT - Keep in Touch] was held on 22-6-19, Saturday in the Silver Jubilee Hall of PSBB KK Nagar.

The response from the students was overwhelming and Mr. Rahul Tyagi, an alumnus of the school (Batch '91) was the special invitee. He impressed on the students to be true to themselves and channelize their abundant energy in the right direction. He outlined how the learning embedded in the formative years stands them in good stead throughout their lives.

The School pupil leaders of 2018-19 batch fondly recalled their days in PSBB, where they were looked after with love and care.

The Principal, Senior Vice Principal, Senior Mentor and the Heads from primary section wished the students and blessed them for their foray into the brave, broad world.

The event offered them an excellent opportunity to reconnect with the past.
