Annual Prize Distribution Ceremony – Class VIII & IX 2018-19

There was an aura of excitement as the students of classes 9 and 10 gathered at 8.30am on the 16th of July 2019 to witness the annual prize distribution ceremony. The proud parents of the prize winners and the teachers were also present to witness the students being awarded prizes.

The morning began with a mellifluous invocation to the almighty by Yadhushree of class 9. This was followed with a video showcasing the highlights of the academic year 2018-19.

The Chief Guests, Mrs. Archana and Mrs. Aarthi, Carnatic singers, and alumni of PSBB Batch of 2006, were welcomed with mementos by the Principal of Nungambakkam, Mrs. Vasanthi. They were then invited to share their thoughts on the occasion. Mrs. Archana began by reminiscing her childhood and said that “school days are the best days in one’s life”. She also gave some insight into how being a PSBBian greatly helped her deal with the outside world as, she said, “PSBB provides many opportunities and exposure to a myriad of cultural events and competitions.” She also touched upon the crucial role played by Dr. Mrs. Y.G. Parthasarathy in turning PSBB into the well-renowned institution that it is now. Mrs. Archana and Mrs. Aarthi then gave a melodious rendition of a Bharathiyar song as a tribute to Dr. Mrs. Y.G.P, which was thoroughly enjoyed by everyone.

Following the rendition, the much awaited prize distribution commenced. The prize winners received their prizes from the Chief Guests with smiles on their faces and a loud cheer from their friends in the audience. The programme ended with the Vote of Thanks by Mrs. Aasha Pillai, Asst. Vice Principal, followed by the National Song and Anthem.

The prize distribution ceremony is a great recognition and appreciation of those who excel in academics or extracurricular activities. It also motivates other to strive to work harder and receive the awards next time. The event was a reinforcement to keep one’s eyes on the prize and not get overwhelmed by the obstacles. “Hard work pays off” was the resounding message sent across to the crowd.
