

A Start Behind the Screen

The beginning of this new school year was unprecedented, challenging, and steeped in uncertainty. One thing was sure though, that it would begin with the the divine blessings of the school's greatest guru, Dr. (Mrs.) YGP and Greetings of the honoured gurus. Therefore, an online meeting was organized for the Heads of the school to speak to the students. The meeting began with a prayer, invoking the favour of the Almighty.

The academic year 2020-21 thus launched into a glorious start with the words of the Dean and Director, Mrs. Sheela Rajendra. She expressed her strong belief that the students would soon adapt and cross all the hurdles. The Dean reminded the senior students of their added responsibility during this time. She advised the students to adopt a systematic, disciplined self-study schedule in order to make the best use of e-learning platforms.

The Principal, Mrs, Geetha Govindarajan welcomed all students and teachers to the new virtual year of schooling. The principal stressed upon the significance of honesty especially during the current times, and advised the students to be sincere in their approach. It gave the students a feeling of immense joy when she announced that extra-curricular activities would be conducted in the best possible way and given a lot of importance. The Senior Vice Principal, Mrs. Malathy Santhanam, and the senior mentor, Mrs. Indira Vaidhyanathan also expressed their joy on meeting the students and conveyed their best wishes to them.

This was an inspiring start to the year imparting life lessons on how to take on challenges.
