

REVERING THE GURU

Maatru Pitru Vandanam is the dedication of the evergreen feelings of love and gratitude to one's parents.

In every age, the Guru has always been revered and the tradition of Guru Vandanam is still alive. Guru Vandanam has special significance on the day of Guru Purnima.

Though bonds connecting parents and children & students and teachers are not confined to any single day, it gets specially significant when it is done on a holy day like Vyasa Purnima.

On the occasion of Guru Purnima, as an initiative of IMCTF, for inculcating reverence in young minds, students from PSBB T. Nagar participated in the Maatru Pitru / Acharya Vandanam.

Students narrated exceptional stories from the Puranas portraying the value of mata pita in diverse languages and performed the Vandanam to their parents/ grandparents / teachers. This video was shared with IMCTF.

Abirami of 5 B and Avani Tripathi, and Dishna Tripathi of 8 A won the prize for good narration and performance of the vandanam. The winners were appreciated with a cash prize of Rs 1000. Their videos were telecast live on IMCT Channel too.
